

SOLAR FIRE INTERPRETATIONS REPORT

Solar Fire Synastry Interpretations

(c) 2000, Esoteric Technologies Pty Ltd

This report has been written to introduce you to the concepts of astrology and how to get started in relationship astrology. Astrology is a complex and meaningful science which takes years to study and apply successfully; however, we would like to whet your appetite with this report, and encourage you to deepen your understanding through other means.

Astrology is a study of the connection between planets and life on Earth. It is based on a concept that energy patterns form between other planets and Earth and that these energies affect our lives as individuals and communities.

An astrological chart, also known as a horoscope, natal chart, or birth chart, records the relationship between the planets and the signs of the Zodiac. Charts can be calculated for the birth of a person, a community, an event or anything that seems momentous. The horoscope is as individual and unique as a fingerprint.

When using these interpretations, please bear in mind that, inevitably, every chart will contain some contradictory influences, and as a result certain interpretations of different items in the same chart may seem difficult to reconcile. However, this may still be an accurate reflection your chart, as it is likely that you do experience conflicting desires, events and circumstances in your life. Usually it is the responsibility of an astrologer to synthesise these apparent contradictions in order to present a cohesive and realistic interpretation of the dilemmas of the chart.

Please also be aware of the fact that each person has positive and negative influences in the chart, and therefore in their lives. The challenge is to accept and overcome the negative influences, so that we can successfully focus on the positive traits. This report outlines the influence of both people's charts on each other. This is called relationship synastry meaning the comparison of two horoscopes and the correlations discovered. It is likely that the report will show both the strengths and weaknesses of the relationship synastry. Any advice given is meant to be an aid to a person taking responsibility for their own lives and their own choices within a relationship. The ultimate decision rests with each individual. The author and publisher accept no liability for any adverse affects of this report.

ASPECTS FROM BILL CLINTON TO HILLARY RODHAM CLINTON

Orb 1°01' Applying

Arguments can cause upset feelings in a relationship with this combination of planets. All types of associations can suffer some setbacks under this influence, but personal relationships are particularly fraught with difficulties. Friction seems to result no matter how Bill and Hillary try to approach each other on intimate matters. Bill and Hillary's relationship suffers because of unspoken problems, or perhaps either Bill or Hillary speaks their mind too often. Either way the problem is communication. No matter how hard both Bill and Hillary try they cannot seem to understand each other's way of seeing things and how each other feels. Bill communicates on an intuitive or feeling level whereas Hillary is the more rational thinker. As a result Bill and Hillary alternate between passion and rationality, having difficulty understanding the other person. Bill and Hillary's behaviour seems at odds with their needs, and they do not seem to be able to comfortably settle down in the relationship. On a more positive note Bill and Hillary may not mind a little friction in their intimate relationship. However, it's more likely that Bill and Hillary would both do well to work on their communication skills. As a result Bill and Hillary can develop skills which help to overcome the problems enabling them to better understand each other.

Bill's Moon Opposition Hillary's Venus

Orb 3°27' Separating

When planets combine unfavourably in personal relationships it can produce either sparks, which excite both parties, or friction. Either way a challenge is presented which

needs to be met in order to succeed in the long term. With this combination Bill and Hillary have difficulty expressing their feelings and often feel misunderstood by each other. Bill and Hillary have trouble relaxing and feeling at ease with each other. There is a lack of harmony that troubles them. Bill and Hillary sometimes feel that they are battling to find shared activities that they can both enjoy. In extreme cases they may feel that they are fighting against the other person's involvement with an absorbing pastime. Or perhaps they feel that their partner stands in the way of them really enjoying their own pleasurable pursuits. No matter how much Bill and Hillary want to enjoy themselves, their partner seems to be standing in opposition, or determined to do their own thing. Depending on other aspects of their relationship and the nature of the combination of these planets, this can be a real problem. It's also likely that they have difficulty deciding how to save and spend their money. Bill is likely to feel some insecurity in the relationship. Hillary is likely to feel that the Bill's feelings and insecurities are holding her back from relating to other people and the world in the way that she wants. On a more positive note this combination can add a spark to life and keep Bill and Hillary willing to resolve difficulties to a satisfactory conclusion.

Bill's Moon Square Hillary's Saturn

Orb 1°02' Applying

Many astrologers believe that a connection between the serious planet Saturn and a personal planet such as the Moon is important, enabling the relationship to be long lasting. However, this can also be a difficult connection. Bill and Hillary can both suffer from feelings of discontent and insecurity within this union. They work hard to cover up their sense that some emotional warmth is lacking, but there are times when they despair of getting their needs met. Bill feels this lack of emotional warmth keenly. It is difficult for him to relax and feel truly appreciated in this relationship. Hillary brings a certain coldness to the union, finding it difficult to generate emotional warmth. Hillary may feel that her attempts at intimacy are misunderstood and met with an overly-emotional reaction from Bill. Much work needs to be done in order to understand each other. On a positive note this combination of planets can indicate a committed to resolve difficulties. Therefore Bill and Hillary have the strong possibility of being able to stay in this relationship on a long-term basis and reap the rewards of a stable and secure union. A satisfying relationship can result from Bill's and Hillary's patience and persistence.

Bill's Moon Square Hillary's Pluto

Orb 5°27' Separating

This is an intense and powerful relationship. Bill and Hillary feel a strong attraction to each other, one that seems to unconsciously draw them together. Bill's and Hillary's deep feelings for each other need to be nurtured in a loving manner in order for the union to be long lasting. However, this can be quite difficult for Bill and Hillary to achieve. It's not that they don't love each other, because they do care very deeply. The problem is that at times their intense emotions seem to erupt from nowhere. In fact the feelings have been simmering under the surface ready to be expressed at any moment. The pressure builds up quickly between Bill and Hillary and before they know it they are embroiled in an emotional drama. Of course this can vary, depending on how Bill and Hillary handle intense feelings. Some individuals thrive on intensity, while others feel threatened and

powerless. Bill is likely to feel that his life has been transformed in some way by Hillary. It's possible that Hillary has changed the way that Bill feels about the world, making him conscious of things that have been bubbling under the surface for a long time. Life is not the same for Bill once he encounters Hillary. He may feel powerless, overwhelmed by Hillary's volatile nature. The key is for Bill is able to see through the explosive behaviour to the true heart of Hillary and to nurture Hillary's goodness. As a result Hillary will deeply appreciate the emotional support offered by Bill. If this does not occur then it is likely that Hillary will feel angry about the constant demands being placed on her by Bill. Hillary will start to withdraw and become isolated, only initiating contact in the relationship when she feels at boiling point. The challenge for Hillary is to maintain a loving attitude and to give Bill time to learn his emotional lessons. This is indeed a passionate personal union and one that needs to be loving, otherwise there is a danger of abuse. This combination can also signify a secret love affair in which intense feelings are indeed in the background. It can also depict an intense working relationship in which power struggles abound, but it is more likely to point to a personal union.

*Bill's Sun Square Hillary's Mercury
Orb 4°41' Separating*

The importance of communication in relationships cannot be emphasised enough. Without understanding of another person's point of view and the ability to communicate one's own thoughts and feelings a relationship can easily breakdown. This is a difficult combination for communications in a relationship. Bill and Hillary have difficulty understanding each other's point of view. They cannot communicate their thoughts and feelings easily. Consequently Bill and Hillary have trouble being together and a certain tension exists in the relationship. Bill needs to be wary of having too much pride, of trying to override Hillary's views through sheer force of personality. Bill takes a superior attitude to Hillary, which proves detrimental in the long run. Hillary feels misunderstood, knowing that her ideas are so different to Bill's. There is a danger that Hillary starts keeping her thoughts to herself thereby blocking any chance of communications improving. As long as both Bill and Hillary continue to try to overcome these obstacles then their union has a chance for success. They may find it of benefit to take time out and write down their thoughts and feelings during times of stress rather than speaking on the spur of the moment.

*Bill's Sun Square Hillary's Jupiter
Orb 4°37' Applying*

The Sun and the favourable planet Jupiter are combining, suggesting that this relationship is blessed with good fortune and a happiness in the short term; however, a long-term relationship may be fraught with insecurities. Initially Bill and Hillary feel a strong sense of togetherness, sharing many new and varied activities. Both Bill and Hillary feel that the other person is contributing positively to their lives. They feel more alive within this union. Gradually the excitement wears off and they become aware that they have very different philosophies on life. Whereas once Bill felt that her life purpose was expanded

by the forward moving energy of Hillary, now he feels that Hillary doesn't know when to stop. He becomes aware that Hillary's values are very different and that this is hindering his ability to express his full potential. Hillary was once excited by the strength of Bill's purpose in life. However, now Hillary feels that her path is being blocked by Bill's stubborn personality. This combination brings benefits to the couple in the first throes of the relationship, but it is going to take work to maintain the relationship. The long-term success of this association depends on other connections between Bill and Hillary.

Bill's Sun Conjunction Hillary's Saturn

Orb 4°40' Separating

Many astrologers believe that a connection between the serious planet Saturn and a personal planet such as the Sun is important, providing the cement for a long-lasting relationship. In other words a serious planet is needed for a serious, meaningful union such as marriage. It is certainly true that the combination of the Sun and Saturn is found in many, meaningful relationships. However, the harmful planet Saturn can also cause problems. The extent of the problems varies according to the astrological aspect. Certainly this combination indicates that Bill and Hillary both view this as a serious association, whether it is a marriage, friendship or a working partnership. Both Bill and Hillary are committed to their association. It is likely that they experienced a strong attraction in the initial stages of their relationship, and it is likely to be long lasting. When Bill and Hillary first meet they each know they have discovered a potential serious relationship, one to which they can commit and build on over a lifetime. If they believe in reincarnation, then it is likely that they feel a karmic attraction, a moment of recognition when they first look into the other person's eyes. However, the very qualities, which they seriously considered as attractive in the initial stages of the relationship, can become the source of friction if they are not careful. In particular, Hillary needs to be wary of becoming too critical and judgmental. Initially Hillary found Bill's personality traits to be worthy of a committed union. She admired Bill's qualities as complementing her own. However, it is easy for Hillary to forget this attraction. As the relationship develops she feels threatened by the force of Bill's personality and takes a superior attitude in defence. As a result Bill feels threatened, disliking the authoritarian side of Hillary. If Bill is not careful his self-confidence is whittled away and the relationship becomes onerous. It is vital that both Bill and Hillary work at developing a stable basis for communication and understanding in this relationship. If both Bill and Hillary work at maintaining their own self-confidence as well as mutual respect then they have the makings for a very successful marriage or working relationship. If this is the case they both benefit from the stability offered by this union, growing in integrity in their own lives.

Bill's Sun Sextile Hillary's Uranus

Orb 0°05' Separating

This is a relationship full of verve and romance. Bill and Hillary are attracted to each other from the moment that they first meet and continue to experience excitement and joy in each other's company. The relationship brings something new and original into Bill's and Hillary's lives and they both feel enlivened as a result. Life becomes more of an adventure when Bill and Hillary are together. Their relationship may run a somewhat erratic or unorthodox course, but Bill and Hillary are both happy in the knowledge that

theirs is a unique union. Bill is excited by Hillary's creativity, which somehow enhances his personal goals. Hillary helps Bill to see life in a new and different manner, freeing Bill from past inhibitions. Hillary knows that she has encountered someone who truly appreciates her as an individual. Hillary can better express her original thoughts and ideas as a result of her relationship with Bill. Together Bill and Hillary may explore an unusual hobby or pastime such as new technology, metaphysics, science, electronics, humanitarian or environmental concerns.

Bill's Sun Semisquare Hillary's Neptune

Orb 0°22' Applying

Romance and love are central themes of this relationship between the Sun and the planet Neptune. This can suggest a romantic liaison in which both people are blessed with a sense of being with the right person at the right time, or it can mean a friendship that is based on a joint artistic project or spiritual interest. Perhaps they enjoy spending time in the natural surroundings of the beach or countryside. Either way Bill and Hillary are likely to enjoy escaping from the harsher realities of life into a world of their own creation. However, problems can arise when Bill and Hillary start to sacrifice their own personal needs for a misguided perception about what is good for the relationship. This behaviour can erode the creative component of the union and both Bill and Hillary may lose their self-confidence and direction in life. It is possible that, together, they may turn to drugs, alcohol or even crime in their attempts to maintain the loosening threads of their union. In particular, Bill needs to be wary of losing his sense of self. It would be easy for Bill to be deceived by Hillary either through his own need to believe in a dream or through Hillary's behaviour. Hillary needs to be wary of becoming secretive and dishonest within this association. As the relationship develops Hillary may become confused about the true meaning of her bond with Bill leading to a need to hide her true feelings. On a more positive note, Bill and Hillary may have other more positive connections in their relationship astrology that enables them to work through their problems in a loving and compassionate manner.

Bill's Sun Sextile Hillary's Ascendant

Orb 3°50' Applying

It is significant in relationship astrology when one person's planet makes contact with the Ascendant in another person's chart. In this case Bill's Sun is combining with Hillary's Ascendant indicating that this is a significant personal relationship. Bill and Hillary feel strongly drawn to each other, experiencing a sense of completeness in each other's company. Bill can really shine through his association with Hillary. He appreciates the benefits that this union brings into his life and the way in which Hillary helps him achieve his personal goals. In turn Hillary has a greater sense of well-being through her association with Bill. She welcomes the sunnier aspects of Bill's personality and appreciates their mutual respect and affection. While this combination is most likely to indicate an intimate love union, it can also augur well for friendships, family relationship and work associations.

Bill's Mercury Square Hillary's Sun

Orb 4°48' Applying

The importance of communication in relationships cannot be emphasised enough. Without understanding of another person's point of view and the ability to communicate one's own thoughts and feelings a relationship can easily breakdown. This is a difficult combination for communications in a relationship. Hillary and Bill have difficulty understanding each other's point of view. They cannot communicate their thoughts and feelings easily. Consequently Hillary and Bill have trouble being together and a certain tension exists in the relationship. Hillary needs to be wary of having too much pride, of trying to override Bill's views through sheer force of personality. Hillary takes a superior attitude to Bill, which proves detrimental in the long run. Bill feels misunderstood, knowing that his ideas are so different to Hillary's. There is a danger that Bill starts keeping his thoughts to himself thereby blocking any chance of communications improving. As long as both Hillary and Bill continue to try to overcome these obstacles then their union has a chance for success. They may find it of benefit to take time out and write down their thoughts and feelings during times of stress rather than speaking on the spur of the moment.

Bill's Mercury Conjunction Hillary's Mars

Orb 6°39' Applying

There is an instant spark of attraction when Bill and Hillary first meet, and this continues during the course of the relationship. The spark is likely to be an intellectual one, which may or may not result in a sexual attraction. Bill and Hillary are stimulated by each other's company, enjoying lively conversations and energetic activities. Both Bill and Hillary learn much from each other and enjoy facing challenges together which in turn help them to move forward in their own lives. This combination of the planets Mercury and Mars is ideal for any working association, which requires co-operation and drive in order to complete a challenging project. However, it can also be beneficial for personal relationships involving individuals who enjoy change and challenge. Bill is challenged to use his wits in this relationship. Hillary's drive and determination force Bill to clarify his thoughts and opinions. Bill is likely to find this aspect of the relationship exciting. In turn Hillary enjoys Bill's intellectual input which helps her achieve her personal goals. Together Bill and Hillary may dare to take risks in their lives which lead to adventures that might otherwise have been missed.

Bill's Mercury Conjunction Hillary's Pluto

Orb 7°15' Applying

An intense relationship is the result of this combination of the planets Mercury and Pluto, with communication playing a key role. Consequently it is vital that both Bill and Hillary communicate honestly, keeping all emotions and thoughts out in the open. This helps them to keep the relationship dynamic rather than volcanic. If Bill and Hillary enjoy penetrating discussions and passionate pastimes then all is well. If they don't then their union could become overwhelming, particularly for Bill. Together they experience a change of perception which is ultimately rewarding, although initially could be disruptive. Notably Hillary challenges Bill's way of viewing the world. This can be an

excellent combination for personal and spiritual growth. Consequently it is an ideal combination for a therapist and client relationship. It can also be beneficial for an intimate relationship or friendship, if both partners enjoy intensity, and a demanding working association.

Bill's Venus Sextile Hillary's Mars

Orb 3°09' Applying

This is the ideal combination for a love union because it creates a strong sexual attraction and compatibility. Bill and Hillary are likely to fall in love at first sight enjoying a passionate union, the type of love affair featured in romance novels. The durability of the relationship depends on other connections between Bill and Hillary. However, if the love union is long term, both Bill and Hillary can rely on the sexual attraction to help them through troubled times. Bill and Hillary enjoy spending time together, in particular welcoming pleasure trips, romantic outings and artistic activities. They may also find pleasure in a joint creative project. Hillary is likely to be the more assertive partner, both in bed and out of bed. Hillary enjoys taking the lead and Bill is happy to acquiesce. While this combination is ideal for marriage or love affairs, it can also be a creative connection for friendships or work associations that involve working on an artistic project. However, it is important that both individuals remain focused on the creative project at hand unless a sexual flirtation is welcomed and appropriate.

Bill's Venus Conjunction Hillary's Neptune

Orb 0°15' Applying

Romance is the key theme of this combination of planets. Bill and Hillary feel that they have met their one true love under the influence of the planets Venus and Neptune. They meet, fall in love and create a union brimming with romance, joy and idyllic love. Whether or not this idyll lasts depends on other aspects of the association. During the course of their union they are able to interact in a loving and creative manner. It's also possible that Bill and Hillary participate in a joint creative and imaginative pursuit, inspiring each other to stretch their artistic talents. Perhaps Bill and Hillary follow a spiritual path together. Bill is particularly attracted to Hillary's artistic and altruistic nature. He appreciates all of the qualities that Hillary brings to their relationship. In response Hillary feels that Bill's support enables her talents to blossom. While this attraction is more likely to involve the love and devotion associated with a strong bond such as marriage, it can also depict a creative, artistic or spiritual working partnership.

Bill's Mars Opposition Hillary's Moon

Orb 7°10' Applying

In astrology Mars is the planet of drive and determination whereas the Moon is the planet of feelings. When these two planets form certain patterns the combination can be volatile.

In this case there is a lot of friction in the relationship. Hillary is likely to feel overpowered by Bill. Hillary often wonders why she is so easily upset by Bill. No matter how hard she tries to calm her emotions Bill just seems to trigger heated feelings. Hillary feels a strong attraction to Bill, but she is also aware that this is a troubled association. It is likely that Hillary believes that Bill lacks sensitivity to her feelings. Bill also senses the friction, but is perhaps not so bothered by it. Bill is more concerned because at times Hillary seems like a wet blanket. Bill's patience is tested because he feels that he has to console Hillary's feelings before he can achieve his goals in life. Bill also feels a certain excitement in this association, but is aware that the tension can be an obstacle to fulfilment. If both Hillary and Bill are aware of the problems and face them with honesty then an understanding can be reached and a rewarding relationship result. When this occurs both Hillary and Bill begin to feel that their lives have become more effervescent with the advent of this relationship. This combination is most difficult for a deeply personal relationship such as marriage or a close personal friendship. It can be advantageous for a working relationship that requires a lot of hard work and energy. For instance, building a house together may be a good way of using the energy of this combination.

*Bill's Mars Semisquare Hillary's Mercury
Orb 0°02' Separating*

A feisty relationship is the result of this combination of the planets Mercury and Mars. When Hillary and Bill are together the sparks fly. The nature of these sparks depends on other aspects of the relationship. On the one hand Hillary and Bill may be positively stimulated by each other's company, enjoying lively conversations and energetic activities. Both Hillary and Bill learn much from each other and may enjoy facing challenges together which in turn help them to move forward in their own lives. However, it is more likely that this combination indicates a combusive reaction when Hillary and Bill are together. The relationship is likely to be fraught with misunderstandings and angry reactions. In particular Bill is aggressive, perhaps even trying to bully Hillary to do things his way. Bill honestly believes that he knows what is right for Hillary and energetically sets about trying to achieve his goals. However, Hillary resents these tactics and becomes critical of everything that Bill does. There seems to be no middle ground and tempers are frayed. Hillary is usually able to have the last word, but Bill knows how to act in a way that is guaranteed to escalate any argument. Of course there is always the possibility that both Hillary and Bill enjoy the drama of this relationship. However, if this is not the case then the lesson is to learn to respect each other's differences and to channel all of the energy created by this partnership into positive activities and lively discussions.

*Bill's Mars Semisquare Hillary's Saturn
Orb 0°01' Separating*

This combination of the planets Mars and Saturn suggests a strong commitment in which Bill and Hillary struggle to understand each other. On the one hand both Bill and Hillary are committed to making this partnership work. On the other hand they face almost insurmountable difficulties along the way. Ancient astrologers consider the planets Mars and Saturn to have a harmful effect on humanity. Therefore this relationship is in grave

danger of causing emotional or physical damage to both Bill and Hillary. The trouble is that they are both determined to force their own egos on to each other, and can be quite brutal in their efforts to get the other person to do as they wish. They lack understanding and respect for each other. Bill tries to force his methods on to Hillary, only to meet Hillary's stubborn refusal to budge on certain matters. The challenge is a big one in this union. Both Bill and Hillary need to carefully consider the future of this relationship, knowing that only mutual respect and caring communication can shine a light on their difficulties.

Bill's Mars Conjunction Hillary's Neptune

Orb 5°01' Applying

The glue that holds Bill and Hillary together is a focus on a joint artistic, spiritual or philanthropic cause, a shared idyll of how to make the world a better place. Together they share many dreams of how to improve their lives, their environment and the world at large. They are a creative duo, never short of ideas and with the ability to inspire.

Depending on other aspects of their personalities they may or may not have the stability and endurance to create something concrete. Bill is likely to be the leader, the person with the drive which enables them to achieve these dreams. Hillary is the creative ideas person who inspires Bill. If Bill and Hillary fail to share a common dream, then this relationship is likely to lack direction and Bill and Hillary slowly drift apart. They have difficulty maintaining a momentum necessary for a long-term bond. For this reason this combination of planets may indicate a relationship based on a shared project or past-time rather than an intimate lovers' bond. For instance Bill and Hillary may share a friendship, enjoying martial arts as a shared activity.

Bill's Jupiter Sextile Hillary's Saturn

Orb 1°53' Separating

Fortunately they enjoy these opposing qualities, finding equilibrium in their relationship. Hillary finds her day enlivened by Bill's personality. In turn Bill enjoys having a stable and patient companion to bounce his ideas off. Hillary learns much from Bill's wisdom, gaining a greater understanding of her own nature. Together Bill and Hillary can achieve much success in either their personal lives or a joint project.

Bill's Jupiter Trine Hillary's Uranus

Orb 2°42' Applying

an erratic course, but they are both happy with the stimulation and excitement. They enjoy a non-orthodox association, spurning a more traditional one. A wide range of subjects crop up in conversations including philosophy, science, religion, metaphysics, technology, world cultures, environmental science and world politics, to name a few. Bill and Hillary spend much of their time together pursuing their common interests and learning from each other. Bill experiences a broadening of his intellectual concepts through his association with Hillary. He delights in the challenges that this ever-changing relationship provides. Hillary is excited by Bill's keen interest in her ideas. She appreciates the freedom of expression and exchange of ideas. This is an intellectual connection and therefore is more likely to benefit a friendship rather than a lover's union.

They are aware that their relationship is one of the most important building blocks in their lives. There is a certain maturity in this relationship. Perhaps Hillary and Bill have formed this relationship later in life when they can truly appreciate each other and the life that they are building together. Hillary feels that Bill is offering security and maturity, enabling her to mature in her emotional and home life. Bill grows in self-esteem through this relationship, believing that Hillary respects his integrity. Many astrologers believe that a connection between the serious planet Saturn and a personal planet such as the Sun is important, providing the cement for a long-lasting relationship. In other words, a serious planet is needed for a serious, meaningful union such as marriage. It is certainly true that the combination of the Sun and Saturn is found in many meaningful relationships. However, the planet Saturn can also cause problems. Certainly this combination indicates that Hillary and Bill both view this as a serious association, whether it is a marriage, friendship or a working partnership. Both Hillary and Bill are committed to their association. It is likely that they experienced a strong attraction in the initial stages of their relationship. When Hillary and Bill first met they each knew they had discovered a potential serious relationship, one to which they could commit and build on over a lifetime. If they believe in reincarnation, then it is likely that they felt a karmic attraction when they first met. Perhaps this was a moment of recognition when they first looked into the other person's eyes. However, the very qualities, which they seriously considered as attractive in the initial stages of the relationship, can become the source of friction if they are not careful. In particular, Bill needs to be wary of becoming too critical and judgmental. Initially Bill found Hillary's personality traits to be worthy of a committed union. He admired Hillary's qualities as complementing his own. However, it is easy for Bill to forget this attraction. As the relationship develops he feels threatened by the force of Hillary's personality and takes a superior attitude in defence. As a result Hillary feels threatened, disliking the authoritarian side of Bill. If Hillary is not careful her self-confidence is whittled away and the relationship becomes onerous. It is vital that both Hillary and Bill work at developing a stable basis for communication and understanding in this relationship. If both Hillary and Bill work at maintaining their own self-confidence as well as mutual respect then they have the makings for a very successful marriage or working relationship. Much of their success may depend on other supportive, positive connections between them.

Bill's Uranus Quincunx Hillary's Mercury

Orb 0°11' Applying

A lively and unpredictable relationship is the result of this combination of planets. Hillary and Bill enjoy the meeting of two minds and the sense of freedom that they experience in each other's company. At first they both enjoy the tension that crackles between them, but this soon becomes irritating. The problem is that there is no peace to be experienced in this relationship. The constant tension of two people having different ideas is a challenge. What seemed like a meeting of two minds soon becomes a clashing of two minds. Another obstacle to a close bond is a lack of commitment. As the relationship develops Hillary and Bill realise that it is difficult for them to predict the outcome of their union. In particular Hillary experiences discomfort because of Bill's unreliability. Even if Bill is usually a reliable person, he seems unable to be constant in his association with Hillary. This is a difficult combination for a personal relationship, although it can work depending on other aspects of the relationship. It is difficult to find a balance in a friendship or work association.
